Additional admission rounds may be held at a short notice. Applicants are requested to follow Goa Medical Council notice board and / or Goa Medical Council website regularly.

Guidelines for FMG students wishing to apply for a CRMI seat at GMC:-

1. Duration of CRMI Internship will be minimum 12 months. However, if candidates have undergone studies through online mode during Covid period and / or due to Russia-Ukraine war, they may be stipulated one or two years of clinical clerkship before start of CRMI, based on guidelines received from NMC from time to time at the discretion of Goa Medical Council and thereafter will have to undergo one year of CRMI internship after obtaining provisional registration of Council. Duration of internship including clinical clerkship and CRMI stipulated will not be reduced under any circumstances.

2. In case of FMG students from Philippines who had taken admission to MD Course (equivalent to Indian MBBS) on or before 18-11-2021 are required to undergo one additional year of internship in order to compensate the deficiency in their training from parent foreign medical college followed by one year of CRMI internship after obtaining provisional registration of Council. In case of break in offline mode studies (physical) during Covid 19 period and studies if carried out in online mode, similar condition as mentioned under sr. no.1 above shall be applicable in addition to one year of internship in order to compensate the deficiency in their training from parent foreign medical college followed by one year of CRMI internship after obtaining provisional registration of Council.
3. Total number of seats for FMG students for undergoing CRMI internship at Goa Medical College (GMC) is 14 (Fourteen).
4. Selection of candidates for these CRMI internship seats at GMC will be purely on merit, as per merit list drawn on the basis of marks scored at Screening test. In case two candidates have same marks, candidate senior in age will be placed above the junior candidate in merit order list. In case both these criteria are same, decision of Counseling Committee in deciding ranking of these candidates will be final. List of selected candidates for CRMI internship & waiting list drawn will be forwarded to Goa Medical College. First fourteen candidates as per merit list will be offered a seat by Goa Medical College for undergoing CRMI internship in their hospital after confirmation/ approval from Goa University and Public Health Department, Govt. of Goa. In case a Candidate who has been offered a seat, declines to accept the said seat, the same will be offered to the next candidate in order of merit from waiting list.
5. Applications to be submitted must be complete in all respect including enclosures. Incomplete application form will not be accepted and is liable to be rejected.
6. Applications received after last date for submission of applications will not be accepted.
7. Only one application per applicant will be accepted.
8. Applications must be accompanied by self-attested copies of following documents.
 - a. MBBS or Equivalent degree awarded by Foreign University to the applicant.
 - b. Final Year mark sheet and passing certificate.
 - c. NOC from the Foreign Medical university.
 - d. NOC from the college affiliated to Foreign Medical university.
 - e. Eligibility certificate issued by NMC for pursuing medical course in foreign medical institute.
 - f. Result of Screening Test conducted by National Board of Examinations in Medical Sciences, New Delhi for Indian nationals with foreign medical qualification.
 - g. Copies of those Pages of Passport (for all years of study) evidencing entry and exit in/from foreign country for pursuing primary medical degree from university of that country as also exit & entry from/ in India during the said period along with duly completed form giving details of these entries in format provided with application form.
